Subject: Back Forty Cut-off Wall Memo
Attachments: 2017-11-06 Back Forty Cut-off wall memo J Maki.pdf

Melanie,

As we have previously discussed, DEQ, Water Resources Division, has had discussions with Joe Maki, Oil, Gas and Mineral Division, regarding the proposed cut-off wall and associated geo-technical exploration for the Back Forty project. Specifically, staff from WRD participated in the Part 632 Mining Team review and are currently reviewing the Back Forty Wetlands, Lakes and Streams application. During these reviews, WRD staff articulated site stability questions that are related to the Part 632 application review and permit conditions. Attached is a memo from Joe Maki that responds to the inquiry from WRD staff.

Please let me know if you have any questions.

Kristi Wilson
